Repair and Renovate LA Schools

Measure RR is a school bond that will repair and renovate our aging LA public school facilities - **WITHOUT** increasing the tax rate. It will also allow us to update technology and address inequities in our children's schools.

Specifically, Measure RR will:

UPDATE school and learning technology

MODERNIZE science, technology, engineering, and math classrooms and labs for 21st century learning

COMPLETE basic and necessary school site upgrades

IMPROVE accessibility, earthquake safety and school security

REDUCE/REMOVE asbestos, lead paint, and water quality hazards in schools

UPGRADE schools to COVID-19 cleanliness and distancing standards for student, faculty and staff safety

CREATE thousands of jobs

that will benefit the region's economy

Taxpayer safeguards

- Measure RR is subject to strict independent oversight and annual independent audits.
- Measure RR funds cannot be used for administrator salaries.
- Measure RR **WON'T** increase the tax rate.
