✓ **SUPPORT OUR COLLEGES**

- As the cost of U.C. and Cal State University systems continue to rise, West Valley and Mission Colleges are an essential resource for students seeking university transfer, specialized job training, or as an educational resource for veterans returning to civilian life.
- **Yes on W** will help families save thousands of dollars while helping students prepare for the 21st century jobs of today.
- **Yes on W** is fiscally accountable. Yes on W ensures every penny will benefit West Valley-Mission campuses and students. All Measure W funding must be spent locally and cannot be taken away by Sacramento. Measure W requires financial audits and Independent Citizen Oversight to ensure funding is spent as promised, and NO money can be spent on administrative salaries.
