

Better Transit and Transportation Coalition

for our economy, our environment and your quality of life

Membership Pledge

Dear transit and transportation supporter,

The Better Transit & Transportation Coalition (BTTC) is a new organization comprised of sectors ranging from business, labour and transportation users, to post-secondary students, tourism and environmental organizations to community, health and other non-profit groups.

Our purpose and common interest is to ensure Metro Vancouver region residents vote in favour of a regional public plebiscite [referendum] question on the Mayors' Council Regional Transportation Investment Plan and Vision. This vote will take place through a mail-in ballot starting in mid-March, 2015 through May 29, 2015.

At the same time, we want to ensure that the revenue recommendation in that ballot is fair and equitable for all sectors, and that the ballot question is easily understood by voters.

The Mayors' Council's proposed revenue source – a 0.5% sales tax for Metro Vancouver only - and ballot question has been approved by the BC Minister of Transportation.

The BTTC steering committee is reaching out for support from organizations like yours throughout the Metro Vancouver to apprise you of our progress and ask for your support in one of two ways:

a) Become a member of BTTC by signing the pledge and endorsing the statement below. As a member, you will not be expected to participate in any formal activities, unless specifically asked.

OR

b) Sign the pledge as an endorsement of support without formal membership in the coalition.

Thank you. Here is the pledge:

“One of the most important decisions facing Metro Vancouver for the next generation is the 2015 Referendum on transit, transportation, and goods and people movement. A positive outcome is a crucial step to expand transportation options, reduce pollution, improve the health of our communities, strengthen our economy, and help make this region a more affordable place to live.”

On behalf of (your organization): _____

(Check one choice below)

I endorse this pledge and affirm membership in the Better Transit & Transportation Coalition:

OR

I endorse this pledge but wish to forego membership in the Better Transit & Transportation Coalition until further notice:
