- 31.03 The Employer recognizes that it is not the function of employees who are not in the bargaining unit to perform work which is currently being performed by an employee in the bargaining unit, except in emergency conditions and for the training and instructing of an employee and in no case shall an employee in the bargaining unit lose income by reason of the performance of such work by such other person.
- 31.04 Notwithstanding section 31.03 it is recognized that the nature of the work in some departments is such that it is often impossible to distinguish between the work performed by a Department Manager and the bargaining unit employees. However, it is agreed that the Employer shall not reorganize a department in such a way that a Department Manager assumes a significant amount of work previously done by a bargaining unit employee and thereby eliminate that job. This does not preclude the Employer's right to reduce the number of jobs in a department where the workload in that department is reduced.
- 31.05 Notwithstanding any other provision in this article, no employee shall be laid-off or have their hours of work reduced due to contracting-out.

RE: Modified Start and Finish Times

BY AND BETWEEN:	THE CITY OF WHITEHORSE
AND:	PUBLIC SERVICE ALLIANCE OF CANADA, LOCAL Y023

RE: Modified start and finish times

Where the employer and employee agree, daily start and finish times of any employee may be modified within the daily number of scheduled hours of work. Such modification may supersede the provisions of Articles 7.01 (a), 7.01 (b), or 7.01 (c), but shall not trigger application of Article 7.01 (d).

Any modification to the start and finish times pursuant to this Letter of Understanding shall not result in additional shift differential, overtime or any other payments or entitlements to an employee, by reason only of such modification.

Approval Process

When an employee, their Supervisor and Manager agree to modify the employee's start and finish times, such agreement, and the rationale for the change, shall be forwarded, on the prescribed City form, to the Human Resources Department for their review and signature. Human Resources will forward the form to the applicable Divisional Director for approval.

Cancellation of Modified Start and Finish Times

Either party may cancel the modified start and finish time agreement by providing the other with notice in writing of at least seven (7) calendar days. A copy of this notice shall be sent to the Human Resources Department. The employee will then revert to their previous schedule.

Notes

Modified start and finish time arrangements may require changes on short notice due to operational requirements. Employees who accept these arrangements may be required to temporarily revert to their previous schedule due to organizational emergencies.

It is understood these arrangements will not be open to all employees due to operational requirements; however all employee submissions to engage in the modified start and finish agreement will be reviewed with due consideration and shall not be unreasonably denied.

For those employees who do receive modified start and finish times, these arrangements should not be interpreted as an additional benefit.

Should an employee incur direct financial costs due to the temporary reversion to the employees' previous schedule due to organizational emergencies, the employer agrees to reimburse the employee for the entirety of said costs.
