Good evening,

I would like to take the opportunity tonight to inform the membership that for various reasons and effective immediately I will be stepping down from my position as the President of Local YO25. Over the past many years I made serving YO25 one of my top priorities. With my position on the Executive as well as the various Committee commitments I volunteer on average 5-20 hours per week. It is time for me to step away and place my focus on other personal, professional and educational interests. Leah Santo our Vice President will be taking over my position as President. Cara, Jesse and Laura remain committed to the Executive team and I will support them as much as I can during this period of transition. We remain hopeful that someone will step forward to take on the role of Chief Shop Steward and Vice President as well as the various committee seats I will be leaving vacant. I will no longer sit on the Education Committee, Joint Consultation Committee, PSAC Union Management Committee, or as an alternate for the Classification Committee. I will continue to hold my seat with the Workload Committee. If you or anyone you know are interested in any of the above mentioned positions or any other committees please bring forward your expression of interest for consideration. I wish the new team and the membership all the best. As we once again head into a round of bargaining with the Employer solidarity and a unified front is of the utmost importance.

Thank you for allowing me to represent you over the years and I look forward to the chance to do so again in the future.
