

## Organizational Membership to YNNP Atlanta

Have three or more people in your organization that would like to join YNNP? Want to get all the benefits of an individual professional membership but at a discounted rate? Consider signing up as an organizational member. Organizational members pay an annual fee based on the number of employees they wish to offer membership. Organizational members see the value in providing a connection for young staffers to network and be developed by their peer groups.

As organizational members, nonprofits will also receive the designation of YNP friendly orgs to help them stand out in Atlanta's growing social sector. Additional benefits include discounted admission to YNNP professional development events, social media promotions, and spotlights during YNNP Atlanta's NextGen Breakfast.

### How it works:

Each employee named by the organizational member gains access to YNNP Atlanta's full suite of individual member benefits. You don't have to assign your memberships all at once, but it is highly encouraged to give your staff the greatest opportunity for engagement and to enjoy the full value of the organizational memberships. Pre-pay and simply send us your employee info to get started. We'll track the start date so that each of your employee members receives 365 days of membership. However, your promotional benefits will expire 365 days after your affiliate fee payment. Please note that memberships are not transferable, even if an employee should leave your organization. You must assign all of your memberships within one year of your affiliate fee payment. There are no refunds for unassigned memberships.

### Promotional Benefits: Include but are not limited to:

- All org members will receive subscription to YNNP Atlanta newsletter

- All org members will receive a mention on YNNP social media channel
