

# MY YEAR-IN-REVIEW

---

01. What were some of your successes this past year? What new skills/experiences did you gain? What are you most proud of accomplishing?

---

02. What were some of the obstacles and/or changes you faced this past year? What did you learn about yourself as you worked through them?

---

03. How did you challenge yourself and grow in 2015? For example, did you join a new network (like YNPN Boston), start a new hobby, take a class, or volunteer at an organization?

---

04. How satisfied were you with work-life balance in 2015? Where can you improve in 2016? What is one healthy habit change you can make immediately?

---

05. What new skills/experiences are you hoping to gain this year?

---

# MY YEAR-IN-REVIEW

---

06. Where do you hope to be in your career and personal life a year from now? 5-10 years from now?

---

07. What is your most important professional development resolution for 2016? How is this resolution important for your long-term goals identified in the question above?

---

08. What trends are you predicting or preparing for in 2016? (This could be nonprofit trends, professional development trends, or a trend that could impact what you specifically do in the nonprofit sector.)

---

09. List several people in your personal/professional network with whom you would like to reconnect in 2016.

---

10. Think about your goals for 2016. What guiding word(s) speak to your goals and can serve as a touchstone for you as you work toward them?
