### About YNPN

#### Our Mission

Helping emerging leaders and young professionals enhance the nonprofit sector.

#### Our Vision

YNPN is the preeminent resource and connector for an engaged nonprofit community that strengthens Milwaukee.

#### Our History

The Young Nonprofit Professionals Network Greater Milwaukee Chapter (YNPN) was founded in 2006 to create a network where next generation leaders can connect and support each other in order to strengthen their own leadership skills and, as a result, the nonprofit sector.

In 2009, YNPN received its 501(c)(3) tax exempt status as the next step in developing the framework to better support the learning and development of young professionals.

Today, YNPN continues to grow and gain momentum, organizing professional development, networking and mentorship programs and events to help build Milwaukee’s next generation of nonprofit leaders.
