ESTATES

DEVELOPING STYLE

Our proposal

Our current proposals:

- Over 300 homes, including affordable housing and homes for key workers such as nurses and teachers.
- A new Grade A, state of the art landmark office building.
- A business incubator hub with affordable rents to help start-up and small businesses to grow.
- A new creative public mews.
- Ground floor café and commercial space to animate the site.
- Car parking for residents and office users.
- Significant and secure cycle storage.
- State of the art medical centre.
- Improved access and public space.
- Improved connectivity between the town centre and North Kingston.
