

To the Principal,

You're receiving this letter because one of your students is interested in attending **What's Up West? 2019**.

What's Up West? Is a 2 day conference for young people from Western Sydney run by Youth Action. It is free to attend and will be held at the Novotel in Parramatta on Thursday 31 October and Friday 1 November.

The conference is targeted at school groups, but we also want interested individual students to be able to attend even if their school isn't able to take part.

What's Up West? is all about empowering young people. This year's theme is **OUR TIME IS NOW** and our goal is to provide young people with the skills and inspiration to change their life, their community and the world.

Plus we'll look at the society and environment of Greater Western Sydney, including social connections, diversity and liveability, we'll participate in interactive groups and learn life skills in practical sessions.

With sessions run by young leaders, What's Up West? is an experience created by young people for young people.

The event is targeted at (but not limited to) students in years 9-12 who are interested in social justice, personal development and overcoming community challenges.

For more information go to youthaction.org.au/wuw19 and if you have any questions please don't hesitate to contact me.

We hope you'll be able to support your student in attending What's Up West? 2019.

Best wishes,

Victoria Brown
