

VOLUNTEER

Attention guys!

How do youth deal with stress?

If you are a young man (**age 15-19**) and from an immigrant background, we would like to hear from you.

What is expected of participants?

- Interested in a one-on-one or group interview (about 1 hour)
- \$20 for each interview to thank you for your time

A study exploring mental health in immigrant young men, being conducted by Carla Hilario, a PhD student in the School of Nursing at the University of British Columbia.

CONFIDENTIAL AND VOLUNTARY
