Event Description:

Stand up, Speak out: Indigenous Youth Forum on HIV, Sexual Wellness and Decolonization (the "Event"), is an initiative led by YouthCO HIV and Hep C Society supported by ViiV Healthcare. YouthCO has been operating for 22 years providing peer education and support to youth around HIV.

The focus of the Event is to bring Aboriginal youth together to have discussions about health and gain more knowledge to use and also share with their peers.

Participants will be involved in a one day forum with a group of 20-30 youth. During the workshop the participants will receive training on HIV, sexual health, and safer sex. At the end of the workshop the participants will have knowledge to bring back and share with their communities and peers.
