

INTERN with YOUTH SPEAK!

Youth Speak Collective is a youth driven nonprofit empowering students with the skills necessary to pursue higher education and create strong communities.

The ideal internship candidate will be:

- ✓ A self-starter with the ability to work successfully with little supervision
- ✓ An excellent communicator, team player and positive person
- ✓ Have at least one year prior experience in given field
- ✓ Enthusiastic, detail-oriented and eager to learn
- ✓ Able to make a commitment of 3 – 12 hours per week
- ✓ Have a flexible schedule and commit to one full semester (*Fall or Spring*)
- ✓ High School graduate and be 20+ years of age

ORGANIZATIONAL INTERNSHIP OPPORTUNITIES

Public Relations and Marketing - The Public Relations Intern will be directly involved in the areas of promotion, marketing and public relations. They will assist in the implementation of our marketing plan, social media outreach and develop other innovative marketing opportunities for our organization.

Fundraising and Development - The Fundraising and Development Intern will be directly involved in the areas of fundraising, grant research, grant writing and development. They will work with the Development Team and help with daily tasks, research and fundraising needed for the organization and it's mission.

Community Outreach - The Community Outreach Intern will be directly involved with the local businesses, families and communities members in the Northeast San Fernando Valley. They will meet with local leaders to promote collaboration and partnership opportunities.

Event Planning – The event planning intern will lead and assist in the development of our fundraisers and fundraising events throughout the year. They will help our staff, boardmembers and advisors in the planning process of interactive events, fairs and activities during the year, hosted by Youth Speak Collective.

PROGRAM BASED INTERNSHIP OPPORTUNITIES

If you are interested in learning more and assisting in a specific program, below are the programs that would accept interns. They will work more directly with our staff and students in that specific program.

- **Project Youth Green** – a four acre community garden and activity space in the heart of Pacoima.
- **Club Futbolito** – a middle school based soccer program focused on youth development and healthy living.
- **24/7 Dad** – a program for young dads, ages 14-24, helps to create stronger fathers and families.
- **Digital and Visual Arts** – creative art programs for high school aged youth, creating murals and movies.
- **Youth Speak Media Solutions** – a social enterprise helping to create multimedia career paths for youth.

If you fit the description, we want to talk to you!

Interested candidates should email a cover letter and resume to: gerson@youthspeakcollective.org
Put the name of your position in the subject line of email.
