**FOR IMMEDIATE RELEASE**

February 10, 2017

**MAYOR GARCETTI ON ICE ENFORCEMENT ACTIONS**

"Today I spoke to the Deputy Director of ICE's Los Angeles Field Office and made it very clear that I want greater transparency about ongoing operations and the status of all Los Angeles residents who may have been arrested or detained. I told the Deputy Director that I will do everything in my power — working alongside our City Attorney, the LAPD, immigrants' rights advocates, congressional delegation and outside lawyers — to make sure that the legal rights of all Angelenos are respected and upheld at every stage of the enforcement process.

"Angelenos should not have to fear raids that are disruptive to their peace of mind and bring unnecessary anxiety to our homes, schools, and workplaces. The Administration should take a just, humane, and sensible approach that does not cause pain for people who only want to live their lives and raise their families in the communities they call home." -- **Mayor Eric Garcetti**
