

GREATER METROWEST DAY SCHOOL CAMPAIGN HONOR ROLL

Thank you to the many donors who have made gifts and commitments to Jewish day school endowment and long-term funds. Day school parents, grandparents, alumni, former parents and community members committed to a strong and vibrant Jewish future have all stepped forward to ensure affordability and excellence in Greater MetroWest Jewish day school education, today and for generations to come.

The Jewish Community Foundation of Greater MetroWest NJ proudly honors members of the Herskowitz Society, recognizing donors making commitments of \$100,000 or more, immediate or deferred, to a permanent day school fund. The Herskowitz Society is named in memory of the mother and maternal grandparents of Jerry Gottesman, who, along with his wife, Paula, are the visionaries and leading benefactors of the Greater MetroWest Day School Campaign. Gifts may be made in support of Golda Och Academy (GOA), Joseph Kushner Hebrew Academy/Rae Kushner Yeshiva High School (JKHA/RKYHS), Hebrew Academy of Morris County (HAMC), Jewish Educational Center (JEC), MetroWest Day School Community Fund (Community)

BONIM

"BUILDERS" OF GREATER METROWEST

Major capital donors to current comprehensive (capital-endowment) day school campaigns, 2010-present.

Today, at two of our community's day schools, GOA and the HAMC, endowment efforts are combined with major capital plans in comprehensive campaigns to transform the campuses while growing major endowments to sustain and support the schools into the future. As such, we also celebrate leading donors to the combined endowment-capital efforts.
